Disclaimer

Past performance is no guarantee of future results, and any expected returns or hypothetical projections may not reflect actual future performance. All investments involve risk and may result in partial or total loss. All prospective investors are strongly advised to read the supplemental offering document and consult with their own tax, legal and financial advisors.

Investing for the Environmentally and Socially Conscious

The fund focuses on green investments with an emphasis on renewable energy as well as other socially responsible investment opportunities, which are typically dominated by privately held interests.

benefits

HIGHER RETURNS OVER THE LONG-TERM

This Fund provides individuals with an avenue to invest excess capital with a view to realizing returns in the medium to long-term, making this a suitable investment for those with higher risk tolerance and longer-time horizons.

PROVEN TRACK RECORD

Sagicor Asset Management Inc. is arguably the leading fund manager with a significant presence in the mutual fund industry. It has delivered consistent competitive returns to its investors across its existing investment vehicles, maintaining a competitive advantage through its time-tested brand and its breadth of investment management experience.

Sagicor boasts of management of the two oldest funds in Barbados, which provide investment options for registered pension plans. The Sagicor (Bonds) Fund and the Sagicor (Equity) Fund were launched back in 1969 and represent the largest investment schemes in Barbados.

related products

Preferred Income Fund

The Preferred Income Fund is a mix of regional and international fixed income securities and preferred shares. The diversity of the holdings ensures security, while the regional and global opportunities give it the potential for higher returns.

Global Balanced Fund

The Sagicor Global Balanced Fund is the first Barbados based global fund, offering investors the opportunity to invest in international, regional and local securities.

Select Growth Fund

The Select Growth Fund is suitable for investors who are seeking long-term growth but are concerned about moderating the risk associated with being invested in stocks at all times.
