

Overview

They Need You To Be Fully Covered

If you are diagnosed with a serious illness, Health Insurance may not be enough. Critical Illness coverage can help!

Sagicor Life Critical Illness Coverage will provide extra funds if you are diagnosed with a very serious condition that will likely take you away from your daily working activities and for which you may need extra funds for extended hospital stays or special home care, transport or therapy.

Eligibility

I need this... am I eligible?

You can purchase this plan once you are covered under your employer's group policy and under sixty (60) years.
